Home Point—formerly the Housing Crisis Center—is deeply committed to providing shelter, support, and resources to individuals, families, and veterans who are facing homelessness and housing instability. Through our housing assistance and homelessness prevention programs, we strive to build a community where no one is just housed but also embraced by a network of care. We believe that restoring dignity to those in their most vulnerable moments uplifts our entire community.

Please join us in supporting Home Point at our inaugural **All Points Home Gala on Thursday, February 6, 2025**, at On the Levee. We are pleased to announce **Katherine and Austin Wyker** will serve as our Honorary Chairs. The “Cowboy Chic” evening will include a performance by the “Red Headed Stranger Willie Nelson Tribute” along with dancing, a silent auction and delicious food and drinks.

Home Point is committed to providing support, and resources to individuals, families, and veterans facing homelessness and housing instability in our community. We are the next step for many after leaving the shelter. Home Point programs aim to bridge the gap for men and women who have exhausted their resources and have nowhere else to go. Home Point walks alongside those who courageously ask for help.

Proceeds from **All Points Home** will be utilized to support Home Point’s programs and initiatives. It will be an evening filled with inspiration, community, and actionable steps toward positive change.

We would be honored for you to partner with us for this impactful and life-changing cause. Enclosed, you’ll find sponsorship opportunities and details about the event. Seating is limited, so we encourage you to secure your spot by returning the enclosed form at your earliest convenience.

Together, we can make a profound difference in the lives of countless families, children, and veterans in the Dallas community. Thank you for considering this opportunity to support a cause that transforms lives and strengthens our community.

Sincerely,

Catherine E. Jaynes
