ABOUT HOME POINT

Hope through housing.

Home Point is a nonprofit organization, founded in 1978, dedicated to preventing homelessness and stabilizing individuals at risk of losing their housing. As a 501(c)(3), we focus on two key areas: Housing Assistance and Homelessness Prevention Services.

OUR MISSION

To prevent homelessness, respond to the immediate needs of those in crisis, and sustain long-term stability through safe, affordable housing – empowering individuals to solve their housing challenges independently.

WHY YOUR SUPPORT MATTERS

Your investment in Home Point fuels proven, compassionate solutions that break the cycle of homelessness. Together, we can create lasting change – one household at a time.

Prevention efforts include:

- Financial Assistance for rent, mortgage, or utilities
- Legal Clinics offering free advice on landlord-tenant laws, recognized by the State Bar of Texas

By combining housing, support, and advocacy, we help people achieve long-term stability.
